

Miss King - 3SK

My favourite lessons to teach are Maths, English, History and Art.

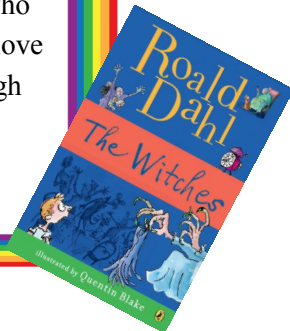

My favourite food is blueberry muffins!

If I could have a pet I would love to have a unicorn or guinea pigs!

I love reading and my favourite book is The Witches by Roald Dahl. It is about a boy who discovers witches exist. I love how scary the Grand High Witch is!

My favourite film is the Lion King. The film is set in the Pride Lands, based on Kenya in Africa. The lions are in charge of looking after the rest of the animals!

Interesting facts about me!

I have taught at Pound Hill Junior School for 11 years and worked in Year 3 for 7 of these years. I run a Shakespeare acting club for Year 6 children.

I was born in Brunei because my dad was working there and I lived there until I was 5 years old, then my family moved back to England.

When you are in my classroom I want you to be happy, smile lots, to try your best and give everything a go, even if it seems tricky or scary at first.
